LED LIGHT TUBES

Put Your Lighting Scheme Outside Your Box.

Antec iLuminate LED Light Tubes are designed to add color and excitement to your desktop or room. Powered by a standard USB port, they come with a sound activator & can pulsate to the beat of your music or games. Antec iLuminate tubes are available in three single-color & one multicolor versions, in both long tube & dual mini-tube models.

1) LED Light Tubes with adhesive pads - mount anywhere
2) USB Connector - easily powered from your Mac or PC
3) Sound Activator with sound sensitivity control - manually adjustable
4) 2 Operating modes: steady ON & sound activated
5) Multicolor model comes with color control switch - manually cycle through 7 available colors and auto-rotating mode
